MYSORE PRADESH CONGRESS COMMITTEE

RACE COURSE ROAD, BANGALORE-1

Ref. 6522/60 Dated 24th June 1960

Dear Shri Kadidal Manjappa,

I am enclosing herewith an application received in this office from one Shri G.D.Khambadkone, Secretary, Mandal Congress Committee on behalf of the Jeernodhara Sangha of Shri Hanuman Temple, Dandeli with regard to grant of land in F.S.No.4, measuring 2 acres 3 guntas for Shri Hanuman Temple.

There is only one temple in Dandeli Town which is growing up. A few leading people of the town had formed a Jeennodhara Sangha for the temple and had prepared a plan for the development of the temple. They had requested the authorities concerned about two or three years ago to grant two acres of land surrounding the said temple. Now I understand that the land asked for this temple has been alloted to the S.T. Authorities for building a Bus Stand. I further understand that the total area that is proposed to be alloted to the S.T.authorities measures more than six acres the whole of which may not be necessary for them.

May I request you to kindly examine the matter and see the possibility of granting at least one acre of land to the said temple.

Yours sincerely,

(RAMAKRISHNA HEGDE)

Shri Kadidal Manjappa,
Minister for Revenue,
Government of Mysore,
Bangalore.

Sub:- Grant of land in F.S.No.4, measuring 2 acres - 3 Guntas for Shri.Hanuman Temple at Dandeli.

****

Sir,

I have to bring to your kind notice, the following few lines for favour of your sympathetic consideration and necessary help in the matter in the interest of the Hindu religion in particular and the public in general.

In 1958, the Hindu Residents of Dandeli, a Forest Village in North Kanara, feeling the dire necessity of a temple attached with many social activities for an Industrially Growing Centre of the entirely backward district of the Mysore State, formed a Committee consisting of members of the religion irrespective of caste and creed. This Committee was formed under the guidance of H.H.Shri Swami Dwarakanath Teerta Shree Pad Wader of Gokarn Parthagali Matt, with an intention of having a Matt at Dandeli having the following activities:-

1) Reconstructing the already existing Shri Maruthi Temple on a sufficiently large scale to provide worshipping facilities to the Hindu Religion irrespective of caste and creed.

2) To have a Sanskrit School for the Public.

3) A Dharma Shala well furnished to accommodate the people coming over to this place for a short stay on pleasure trips or for finding out their living.

4) An Orphanage to provide possible help to the poor orphans in their education.

5) A Meeting Hall for the use of religious and public meetings of non-political nature.

6) An Open Hall for the use of Marriages and other religious functions.

7) Accommodations for the Poojaris and Religious Students of Vedic rights.

contd.....2

8) Other buildings such as public kitchens, library and some open space for garden etc.

In view of the above multipurpose social plan, the Committee submitted an application early in 1958 for a piece of land admeasuring about Acre2 - Guntas 3 surrounding the existing temple as per sketch attached with the application to the Forest Authorities since the land applied for is a Forest Land.

The application was throughout strongly recommended, right from the Divisional Forest Officer to the Chief Conservator of Forest, Mysore State, for the grant of the land applied for by the Temple Committee and the application along with the sketch was forwarded by the Forest Department to the Deputy Commissioner for disforestment of the same.

Unfortunately the papers were not moved further for reasons not known hitherto to the Temple Committee nor the Mandala Congress Committee and all of a sudden the general public of Dandeli were shocked to know that the Deputy Commissioner of Kanara has granted about 6 acres of land to the Mysore Govt. Road Transport Department for the construction of their Bus Stand, Workshop etc. etc. and this area was inclusive of the area applied for by the Temple Committee.

Since the date of the application, the Temple Committee was not notified of any developments of their case till today by the Deputy Commissioner and the whole affair was only disclosed to the public when the Deputy Commissioner refused the extention of the license for a Touring Talkies situated in the area -- applied for the Temple stating the reason that the area has been allotted to the M.G.R.T.D., and in reply the D. F. O., N.D.K., under whom this area still retains, under his No.D/3 of 1960-61 dated 18-4-60 clearly stated to the Deputy Commissioner that this area has been recommended for grant to the temple committee.

Contd.....3

Under the circumstances the Temple Committee once again appealed to the Minister for Revenue, Government of Mysore, under a copy to the Deputy Commissioner and to the Mandal and in support of their appeal the Mandal also submitted an application to the Minister for Revenue under a copy to the Deputy Commissioner, strongly recommending the grant of the land to the temple. No favourable reply has so far been received by either the Temple Committee or the Mandal Congress Committee from the Deputy Commissioner or the Minister.

This question was further considered in the meeting of the M.C.C. from the point of view to the absolute necessity of a temple on modern lines with broad idealogies as mentioned in the objectives of the temple committee for a newly coming up well planned town like Dandeli. Therefore, I was deputed to see the Hon.Minister for Revenue personally to discuss this matter in order to soothen the wounded feelings of the public.

Accordingly, I came to Bangalore on 8-6-60 and tried my level best to have an interview with the Hon.Minister concerned through Shri.Shamshuddin, the Hon'ble Dy.Minister for Finance who comes from our District. I had brought with me the office copies of our appeal and handed over to Shri.Shamshuddin, who has forwarded the same to the Hon'ble Minister for Revenue with his remakrs strongly recommending our case. Since the Hon'ble Minister was either on tour or very busy with select committee meetings all these days, Shri.Shamshuddin was quite unable to arrange an interview for me, Lastly he somehow got an opportunity on 'phone to talk with Shri.Kadidal Manjappa, the Hon'ble Minister on 22nd instant and arranged an interview on 23rd between 11 A.M. & 12 Noon. I had yesterday seen the Hon'ble Minister with great hope of his hearing to my explanation and with expectation of a favourable reply but to my misfortune, I was given a very shocking reply at the first sight of my entrance that "As a policy the Government does not encourage grant of plots for temples" I

contd.....4

I was not at all given any time to explain the situation. The Hon'ble Minister also redirected me to the Deputy Commissioner with whom this matter should be decided. He showed no interest even to get the remarks passed by Shri.Shamshuddin and ended the interview.

It may please be noted that in case this matter could have been settled with the Deputy Commissioner, what was the fun of my coming over here all the way such a long distance at a very heavy cost and waste my time and energy for these fifteen days.

I, therefore, earnestly beg to request you to kindly take a keen interest in this case since this temple is the only place of worshipping for whole religion irrespective of caste or creed and help us to get the land for the temple sufficient for the objectives of the Temple Committee as stated above.

I hope you will kindly do the needful and oblige.

Thanking you,

BANGALORE,
24th June 1960.

Yours faithfully,
G.D.Khambadkone

Subject:- Grant of land for re-construction of Shri.Maruthi Temple at Dandeli.

Respected Sir,

I beg to plaee the following request for favour of your kind consideration.

It is decided to re-construct Maruti Temple, the only worshipping centre of Hindus in Dandeli - developing very fast. The Maruti Temple Committee has also various schemes of religious welfare and also of the general public, for which raising of funds has been already taken up. And also the Committee applied for the piece of land where the temple is situated, taking in view of the necessity of land to have all the schemes contemplated. The application which has been strongly recommended by the Forest Authorities and lying with the Deputy Commissioner, Kanara - Karwar for disforestation requested for an area of 2 acres and 3 guntas as per sketch submitted along with the same.

It is finally to be decided and so is the earnest request for the favourable decision for which act of kindness, we ever remain grateful.

BANGALORE,
27-6-1960.

Yours faithfully,
G.D.Kambadkone

Rev. Secy
I am told that here is enough land. one acre of land around the temple may be set apart for the use of the temple and the remaining area may be granted to M.G.R.T. The D.C may personally inspect & decide. If there is any difficulty a report may be sent to Govt
